

TIMBER TECHNICAL RYDER

Playing Space:

10m x 10m (audience space included).

Possibility of access to playing space with van to unload and load decor.

A peaceful spot is absolutely necessary, as the actors sing and play without microphones.

An even level surface is required - (asphalt, concrete, or grass surfaces are all possible).

Running water and toilet facilities nearby.

Necessities at site:

Electricity: regular household current, (no generators in the proximity).

Seating: the organisation should provide enough benches for 4 rows, 8 meters long. In the event that this is not possible, please contact The Primitives in advance.

Practical:

Preparation time: 1 1/2 hours

Striking time: 1 hour

Timber is normally played two times in the course of the day at the same location. In cases where the organizer wishes to place the performance in two different locations in the course of the day, at least 3 hours must be forseen between performances.

Audience capacity: ± 250
